## Mission Report

WHAT HAPPENED?  
JUST THE FACTS!  
EXCELLENT WATSON!

If you don't write down what you did, then no one knows. That's bad. And probably unethical. Lots of individual skills are associated with proper note taking about sessions. You'll master them here.

## Abort Mission

GET TO THE CHOPPA  
SAFE  
RING MY BELL

All the unfortunate emergency considerations any optimal functioning facility should have.

## Great Minds Respond Aikoi!

GGG000AAAALLL!  
MAKE AN ASSUMPTION  
I FEEL THAT  
BE DISTINGUISHABLE  
SOLID 7

Indoctrination at it's finest. Learning to talk and think like a behavior analyst is hard work and is often antithetical to your traditional world view. But it's important to learn so you can solve behavioral problems using science, and not accepting pseudoscientific garbage as explanatory.

## Mission Planning 1,2,& 3

IT IS WHAT IT IS  
ASS- PICK AN ASS TOOL  
EVERYTHING EVERYWHERE  
STATUS QUO  
COSTCO: AM I RIGHT?  
WHAT'S UP DOC  
DO ASS: CON PLAN  
ASS GOALS  
SEE I DID A THING!  
FCT: SUMMARY

These are the blueprints you make according to your experience, assessments, and interests of the clients. Treatment plans will be the foundation of your program direction g 1,2,& 3

"A LITTLE BIT, OF EVERYTHING, ALL OF THE TIME"  
GET ON UP!  
IF SOMEONE JUMPED OFF A BRIDGE, WOULD YOU?  
THEY ARE ALL ELEMENTARY- FROM OUT OF NOWHERE

These are the broad level skills that your teachers taught you how to talk about. Now it's time to actually learn how to do it and provide examples and scenarios from the real world - and typically experience it directly - you're moving from rule-following to contingency shaped now. One might call these foundational, so we did.

## Blinded with Scienclol

ADULTS  
IN ONE EAR AND OUT OF THE OTHER  
CONTROL FREAK  
GROUP PROJECTS SUCK  
TAKE IT ONE AT A TIME  
OCD

Doing science is an activity. Doing it well is hard. The more you think like a scientist the easier it will be to actually do the work of a behavior analyst - because, well, we're scientists.

## Caregiver Development 1&2

WHAT TO SAY  
MATCH TO SAMPLE  
MAKE IT VALUABLE  
SHAPE CARE  
CHECK YOURSELF  
DEVELOP  
WATCH

It takes a village, yo. But a lot of those villagers are not behavior analysts. So we have to carefully work on the skills that other stakeholders and family members need in order to select for the learner's success. Without overdoing it.

## Navigating Overlords 1&2
